Workshop Topics

- Moving forward with the changing role of the professional school counselor nationally and in California.
- Continuing the conversations on the many types of data school counselors use. (Including Career Pathways Information)
- How do I find and use the data that is already out there?
- Moving forward with standards driven guidance curriculum action plans: horizontal and vertical curriculum alignment
- How do I create good pre-post tests? More in-depth support and assistance.
- Whatever happened to AB 1802 & the impact of budget cuts (Are we still required to do it?)
- Review barriers and successes in implementing data driven intentional guidance/closing the gap action plans.
- Closing the achievement gaps; dispelling the myths for students of color and students of poverty.
- Learn how to report results to stakeholders using the Flashlight PowerPoint approach and other advocacy tools.
- Professional School Counseling: What does it really mean to act, and be treated as a professional?
- Time management is essential for success. How do we manage our time?
