

# ALEXIS GODDARD, M.S., P.P.S.

Professional Learning Specialist

## BIOGRAPHY

---

***"I am passionate about school counseling and data driven programs because when I look at data, I don't see numbers, I see individual student lives that I have the opportunity to make a positive impact on. I want to make sure that I am someone my students and colleagues can count on, that if I don't know an answer, I will find one!"***

Alexis Goddard is a passionate School Counselor at Centennial High School in Corona-Norco Unified School District. Alexis has previously worked at the elementary and middle school levels. She has experience implementing a comprehensive school counseling program that aligns with the ASCA National Model and the RAMP (Recognized ASCA Model Program) application process. Alexis serves on the board of directors for the California Association of School Counselors. In addition, she also is a part time adjunct faculty member at University of La Verne, teaching Comprehensive School Counseling and Career Development courses. When Alexis isn't spreading her passion for school counseling, she enjoys traveling and cruising with her husband and two young children.

## PROFESSIONAL HIGHLIGHTS

---

- Current High School Counselor with experience at Elementary & Middle School Levels
- Adjunct Faculty at University of La Verne
- Board Member, California Association of School Counselors
- 2019 Recognized ASCA Model Program Recipient
- 2018 Orange County K-8 School Counselor of the Year

## FUN FACTS

---

- Alexis is the lucky parent of two young kids: an active five-year-old boy and a passionate two-year-old girl.
- Alexis and her family love traveling and try to take at least one international trip per year, in addition to short local trips!
